

Relaxing Waterside Card

Card Sketch:

Cutting Directions:

- Misty Moonlight Card Base – 5 1/2” x 8 1/2”, score at 4 1/4”
- Waterside Retreat Designer Series Paper – Striped (“DSP”) – 4” x 5 1/4”
- Basic White – Scrap for Greeting and Adirondack Chair
- Basic White – 4 1/8” x 5 3/8” (cut 2)

Assembly:

- Cut circle from striped DSP with Stylish Shape Circle. **The circle should be a scene on the reverse. When you turn over the circle if it is not a good image, simply cut the image from another section of the DSP.** Attach the striped DSP to one of the white panels, then glue the scene circle inside as shown in the sample. Attach to card front.
- Stamp the chair on scrap white with Early Espresso ink, color with Pecan Pie blends. Cut out with coordinating die. Attach to card front with dimensionals.
- Stamp Take Time to Relax on scrap white, either cut with a die or notch the ends to make a ribbon. Attach to card front with dimensionals.
- Add gems in a triangle pattern
- On remaining piece of white cardstock stamp if desired using the Relaxing Waterside set then attach inside of card.
